

designation	CD4 Dry contacts
reference	EC DT724080
range	Separate electronic

Control of a control unit compatible with the Somfy general bus line by double push-buttons connected to the control unit and general control by a Somfy general bus line.

Possibility to connect a "AUTO ON/OFF" selector.

This CD4 is specially dedicated to the FTS control box (ref.ESFT726120 and ref.826140)

TEMPORISATIONS :

Switch in ON position:		Outputs temporisation	Inhibition of the individual control
Individual control	impulse control	holding time or 0,5 s mini	no
	control > 2s or permanent	holding time or 0,5 s mini	no
General control	impulse control	holding time or 0,5 s mini	no
	control > 2s or permanent	holding time or 0,5 s mini	yes

Switch in OFF position:		Outputs temporisation	Inhibition of the individual control
Individual control	impulse control	holding time or 0,5 s mini	no
	control > 2s or permanent	holding time or 0,5 s mini	no
General control	impulse control	no control	no
	control > 2s or permanent	holding time or 0,5 s mini	yes

FUNCTIONS

TECHNICAL SPECIFICATIONS

Box	Material	ABS
	Colour	Beige
	Size	112 X 52 X 106 mm
	Protection factor against solid and splashproof	IP 40
Supply	Nominal	200 - 240 V~
	Limits	198 - 255 V~
	Frequency	50 - 60 Hz
Consumption	main	7 mA at 230 V~
Fuse	accessible by user	3,15 A - 250 V~
Output relays		600 VA, 5 A
Electromagnetic compatibility	CEI 1000-4-2	8 kV minimum
	CEI 1000-4-3	level III guaranteed
	CEI 1000-4-4	level III guaranteed
Temperature range	Working	0°C à +40°C
	Storing	-20°C à +70°C
Rate of relative humidity		90% maxi. with 25°C
Connectors		screw
Weight		320 g
CE marking		yes

INSTALLATION LIMITS

- Do not connect more than one sub-group control level.
- The cable of the bus line must be insulated to 1750V.

COMPATIBILITIES

IN THE RANGE

input : Goup control : 130150, 128617/3--ST, Sub-group control : 130059

Output : FTS control box ref.ESFT726120 (230 V) and ref.ESFT826140 (110 V).

IN THE OTHER RANGES

input : any control or control system compatible in output with the SOMFY general control line : RC9027, RC9224, SL 2017, SL 2017n, SL 1010, SL 1010n, SL 1110n, SL 3017, ...

WIRING AND CONFIGURATION
